GENERAL RULES FOR ALL EXHIBITS

1. All exhibitors agree to be bound by the rules and regulations of the Jacktown Fair.
2. The fair management reserves the right to amend or add to these rules and regulations as its judgment may determine.
3. Reasonable care will be taken to protect all exhibits on display from all injury and damage, but the fair is not in any way to be held responsible for accident, loss or damage by water, fire, theft or otherwise whatever may be the cause or extent of the damage or loss.
4. Entries will be made according to classification.
5. Premiums as listed may be given for meritorious exhibits. In cases where there is no competition judges may give an award such as they deem the exhibit is worthy to receive. Same rule applies where there are fewer entries in any class than the number of premiums offered. The judges may at their discretion award a prize or prizes of such grade as the exhibit deserves.

The fair reserves the right to limit the number of entries by each exhibitor to two (2) per class in the case of livestock, the same breed.

The decision of the judges shall be final in all classes except where mistakes, fraud, misrepresentation or collusion, not discovered at the time of award is proved in such cases the Superintendent, Manager or Secretary of the fair or show, or such referee as he may appoint, may make the decision with his approval. The case may be appealed to the Fair Management or Show Commission from whose decision there can be no appeal.

6. It shall be the responsibility of the exhibitor to make known the proper name of the article or breed of livestock he is entering. Any item entered improperly will be disqualified to receive a prize but the judges will mark the correct name on the entry tag for the benefit of the owner so the same mistake in entering need not be made the second time.

7. All entries must have been grown, produced, or made since the last fair by the person whose name appears on the tag as exhibitor. If entries are to be limited to residents of the county, or to a specified area, this must be stated in the fair's Premium Book Rules Section. Any exhibitor may be required to prove ability to reproduce entry in any department in the presence of a qualified person.

8. Superintendents of a department reserve the right of refusing to accept any entry. Furthermore the superintendents reserve the right to bar from competition animals, vegetables, flowers, poultry, products and manufactured articles on decidedly inferior quality and those not possessing sufficient merit to warrant recognition.

9. The Fair Management may, at any time, order the removal of any exhibit or part of exhibit in bad condition and any article unfit to show may be excluded. Food products cannot be polluted with any substance or chemical that causes them to become poisonous and unfit to be used as food. No exhibit may be removed at any time before the close of the fair except by consent of the management.

10. Every exhibit accepted for premium **MUST BE GIVEN AN ENTRY TAG** which must be plainly marked showing **THE NAME OF THE EXHIBIT**. In the case of livestock, **THE BREED NAME MUST BE SHOWN ON CARDS LARGE ENOUGH THAT THE BREED NAME IS READILY IDENTIFIED BY THE VIEWERS, or IF THE LIVESTOCK IS GROUPED TOGETHER ACCORDING TO BREEDS, ONE LARGE SIGN TO DESIGNATE THE GROUP WILL BE SATISFACTORY, HOWEVER, THE AWARD WINNERS MUST BE PLACED ON THE STALL OR PEN OF THE INDIVIDUAL WINNERS FOR THE DURATION OF THE FAIR OR SHOW. Failure to comply with this regulation WILL RESULT IN FORFEITURE OF PREMIUMS.** It will be the duty of the fair or show officials to see that this regulation is complied with. Where award ribbons are stolen or destroyed, the exhibitor may receive a duplicate at the close of the fair or show which shall be supplied by the fair free of charge.

11. During the judging, buildings, except livestock arenas, are to be closed to everyone except fair officials, judges and necessary attendants. No exhibitor or his agent shall communicate with the judge during time of determining the awards except to answer questions proposed by the judges. Any exhibitor interfering with the judges while making award shall forfeit any premium to which he would otherwise be entitled.

12. All livestock offered for premiums must be the property of the owners thirty (30) days or longer.

13. No person shall be allowed in the ring while stock is being judged except judge, superintendents and necessary attendants.

14. Should any animal awarded a prize be disqualified, the animals gaining the lower prizes shall move into the next higher position if in the opinion of the judges, the animals are worthy of such prizes.

15. Overfitting of cattle will be discriminated against. Any artificial means used to change the form or shape of an animal will disqualify it from competition.

16. When on exhibition in the ring, each animal must be under halter and in charge of owner or employee.

17. Joint ownership considered to be as one owner in accordance with registration papers.

18. Competitors for the premiums on stock must make their entries with the Jacktown Fair. All entries of live-stock close Saturday, July 10, 2021. Persons living convenient are requested to make early entries. All entry fees to be paid when entries are made.

19. In case of unfavorable weather. The Richhill Agricultural Society reserves the right to declare off any events, premiums or prizes.

20. Richhill Agricultural Society will not be responsible for any personal or property damages.

21. No intoxicating drinks allowed on the grounds during the fair.

22. The stock must be on the grounds until 8:30 P.M., on the last day of the Fair.

23. Entries in the Home and Garden Hall will be made on Sunday, July 18, 1:00 P.M. to 7:00 P.M. Judging will take place July 19, at 10:00 A.M. Public judging of Special Baking Contest, Monday, July 19, 7:00 P.M.

24. No articles to be taken from the Home and Garden Hall until Sunday. Hall will be open Sunday from 1:00 P.M. to 3:00 P.M. for pick-up.

25. The Fair Board reserves the right to request the removal from the grounds of any animal, exhibit, display or person that it determines to be harmful or undesirable to the public.

GENERAL LIVESTOCK

1. All animals entered must compete and be shown.

2. In no case is it permissible to show mixed breeds in the same class or division to be judged against each other for premiums.

3. The Fair reserves the right to refuse any or all entries.

4. Exhibitors will be expected to display or parade their animals as directed by the Superintendent; to accept the stall assigned without controversy; to keep their animals in an attractive appearance, and to cooperate with the Department in every way that may serve to increase the educational value of the show.

5. Exhibitors of livestock must inform themselves as to when their stock will be judged. Stock must be in the ring promptly on call and a failure to comply with the order renders exhibitors liable to be ruled out of competing.

6. Decorations with ribbons or ornaments previously won by animals at shows shall be prohibited until after the awards have been made in their respective classes by the judges.

7. Exhibitors must have all animals listed for competition on the grounds not later than Tuesday, at 10:00 A.M.. Arrival time is Monday 1:00 P.M. - 9:00 P.M., Tuesday 8:00 A.M. - 10:00 A.M.

8. All such animals remain on the premises until 8:30 P.M., on the last day of the Fair, unless released by the Superintendent.

9. The exhibitors will be expected to keep the space they occupy in a clean and sanitary condition and to remove all their equipment promptly as the Superintendent may direct.

10. When on exhibition in the ring, each animal must be under halter and in charge of owner or owner's representative.

11. Junior exhibitors may receive assistance from adults when exhibiting their animals.

12. Any animal of unthrifty nature, unsuitable condition, or which cannot be satisfactorily handled under show conditions must be removed from the fair grounds.

13. 4-H Club or FFA members must be present and have charge of their animals at the time of judging.

14. Each exhibitor is limited to a maximum of 2 entries in each individual class and 1 entry in each group class.

15. Animals included in any group class must have competed in an individual class.

16. The "Other" breed category under Beef Cattle & Sheep is for exhibitors of recognized breeds that are not identified by a listed breed category. These breeds will be assigned a letter and listed in future years' books.

17. All market and feeder class, steers and lambs will be weighed at the fairground on Wednesday morning at 8:00 A.M. to determine class assignments. All market rabbits and goats will be weighed at a time established by their respective clubs.

**2021 FOREIGN ANIMAL DISEASE
ALERT FOR EXHIBITORS AT PENNSYLVANIA FAIRS**

As a result of heightened awareness of security in the United States, foreign animal disease (FAD) surveillance is being increased nationwide. We encourage each of you to be particularly aware of any indication that could signal the occurrence of a highly contagious disease or any other unusual or unexplained adverse animal health event. No potential cases of foreign animal disease should be ignored.

Potential hoaxes should be treated as real threats until proven otherwise. Special attention should be directed at farms and other areas where there are large number of livestock and poultry.

Be particularly alert to these five signs:

1. Sudden, unexplained death loss in the heard or flock.
2. Severe illness affecting a high percentage of the animals.
3. Blistering around an animal's mouth, nose, teats or hooves.
4. Unusual ticks or maggots.
5. Staggering, falling or central nervous system disorders.

If you see something unusual, alert the Fair Superintendent of fair office.

**BIOSECURITY CHECKLIST FOR
LIVESTOCK EXHIBITORS**

- Veterinary health inspections and health certificates are current for all the animals I will be taking to the fair.
- All equipment, such as buckets, pitchforks, shovels, rakes, wheelbarrows, manure baskets, lead ropes, halters, nose rings, snares, clippers, scissors, brushes, etc., have been cleaned and disinfected before entering the fair grounds. (A solution of household bleach in water is recommended for disinfection purposes: add 2 gallons of bleach to 3 gallons of water for disinfecting equipment).
- No Pets except 4-H Leader Dogs!
- I have received a list of the recommended biosecurity precautions that I should follow after returning to the farm with the animals that were taken to the fair.
- Any livestock showing signs of illness, including signs that suggest infection with Foot and Mouth Disease, will be reported immediately to the Livestock Superintendent of the fair.
- Any questions about disease and biosecurity measures can be directed to the regional veterinarian or animal health inspector, who will be visiting the fair grounds for daily inspections.

2021 Participating Fair and 2022 PA Farm Show Contest Rules

PSACF Release: February 2021

BLUE RIBBON APPLE PIE CONTEST

INSTRUCTIONS TO BE USED BY FAIRS AT THEIR 2021 EVENT

Each county/local fair is encouraged to conduct a 33rd Annual Blue Ribbon Apple Pie Contest at their 2021 event. Listed below are the criteria which we would like each fair to use in their contest. The certified first place winner from each fair will then have the opportunity to enter an apple pie in the BLUE RIBBON APPLE PIE CONTEST at the 2022 PENNSYLVANIA FARM SHOW.

RULES for local Fair and the PA Farm Show contests are as follows:

1. Open to any individual **amateur** baker who is a Pennsylvania resident. One entry per person.
2. Entrants may **NOT** have won 1st place in this Blue Ribbon Apple Pie contest at any other fair in 2021.
3. Entry must be a pie that **must include at least 60% apples in the filling**. It does not need to be a “traditional” two crusted apple pie and it can have a variety of fillings. **All ingredients and decorations must be edible.**
4. The entire pie must be submitted for judging in a food safe disposable pie pan. (All pans, plates and dishes are considered to be disposable and will not be returned.)
5. The recipe for the pie and pie crust must be submitted with the entry. It should be submitted on one side of 8 ½” by 11” paper. The recipe must list all the ingredients, quantities, and the preparation instructions. Entrant’s name, address and phone number must be printed on the **back side** of all the pages. (All recipes and pies will become the property of the Fair or PA Farm Show and will not be returned.)
6. Refrigeration is not available at the Fair or PA Farm Show. Entries that require refrigeration after baking must indicate so in the recipe. Those entries will not be sold, auctioned or otherwise distributed for consumption after judging for food safety reasons.
7. Judging will be based on the following criteria:

Flavor	30 points
Filling: consistency, doneness, moistness & flavor	25 points
Crust: color, flavor, texture doneness	20 points
Overall Appearance	15 points
Creativity	<u>10 points</u>
TOTAL	100 Points

Creativity is essential to a varied competition. Do not limit your contest to a “traditional” two-crust apple pie. We are looking for a variety of fillings in the pies; the pie must include at least 60% apples in the filling.

The recipe for the pie and pie crust will also need to be submitted when entering at the Pennsylvania Farm Show.

Each Fair must sign a Certification Entry Form verifying the winning apple pie baker and this person will be eligible to enter the state competition at the 2022 Farm Show.

NOTE: If an individual has already won 1st place at another fair in 2021 for this Blue Ribbon Apple Pie contest, that individual is now considered qualified through that Fair to compete at the 2022 PA Farm Show and is no longer eligible to enter this contest at any upcoming Fairs.

First Place Winner is eligible for the 2022 PA Farm Show competition.

Premiums for the 2022 PA FARM SHOW competition
